

## **TRANSCRIPT: AUSLAN VIDEO, LAUNDRY LADY SERVICES FOR NDIS PARTICIPANTS**

Do you or a family member need NDIS support for your laundry?

The Laundry Lady can help!

What is Laundry Lady? Laundry Lady is a pickup and delivery laundry service. They do washing, drying, folding and ironing of clothes and other items, like bedding.

Laundry Lady is available right across Australia.

Laundry Lady is an NDIS registered service provider. If you have the correct Linen Service line item code in your NDIS plan, you can claim laundry services with The Laundry Lady.

How does it work? You book online, you choose services you want, and the date and time for pickup. A laundry lady or lad will pick up the laundry from your home.

You pay online. It will be returned the next day. You can request a service agreement for Laundry Lady services to make the process easier. Laundry Lady is here to help you and take the stress out of doing your laundry.

Want more information? Want to know more about home NDIS services and the Linen Service line item code? Want to know prices and make a booking? Go to the Laundry Lady website to book, see prices and locations, or to send a contact form.
